PAYMENT POLICIES

When you register your child for class, you are paying for your child's place in class, NOT THEIR ATTENDANCE. Fees for each session must be paid in full before the student's name will go onto the class list. On the 5th & 6th week of each session, we will send home a reminder that tuition for the next session is due. Tuition can be paid by:
By phone with credit credit card, check or cash

If tuition is not paid by the deadline for the next session, the student's name will be removed from the class list and the spot will be available for a new or waiting student.

Sessions: There will always be 6 class meetings per 6 week session for any particular day of the week (SEE SESSIONS CALENDAR)

Attendance: Obviously, we cannot be responsible for your child's attendance. Please do not ask us to **pro-rate, refund or carry forward fees for classes missed.**

MAKE UP CLASSES: We do offer make up classes...however we can not promise, nor do we owe make up classes unless **we** cancel the class. However, if room is available in another class of the same level, you may ask to schedule a make up class with the following conditions.

- **You cannot make up classes without being enrolled in a current class.**
- Never come for a make up class without scheduling in advance.
- We reserve the right to cancel a make up class if the class fills before the make up date.
- **Make ups must be scheduled within 6 weeks of the missed class** (preferably within a week).

Make Up No Show: When a make up class is scheduled, we consider the missed class made up whether you attend the class or not. When we book you in the class we are denying that space to another person for that day.
