

# BIRTHDAY PARTIES

We set up our entire 12,000 sq. ft. gym, **just for your party**. 45 minutes or an hour of run'n, jump'n, flip'n, bounc'n fun that includes activities on our in-ground trampolines and tumble trak, pits and giant obstacle course. After the kids are done in the gym, we move to a private party area where we supply **table settings** including plates, cups, napkins, forks and a special gift bag for every guest and a special **Party T-Shirt for the birthday child**. We'll even give you the **invitations** that include a map to our gym. All you have to bring is the food, the drinks and the kids. We'll do the clean up. **Save the house... schedule your child's party at PGA!**
